Recruitment

Jonathan Moxham

Business Intelligence Programme Manager

Recruitment Tips - Recruiter

- Be realistic – but don't settle
 - Consider training someone up or cross training – if appropriate
- Test soft skills in the interview and always do a written test
- Consider how to test technical ability
- Recruitment agencies
 - Competitive Market

Recruitment Tips - Candidates

- Prof read and spell check you're application and CV
- Tailor your CV and personal statement to the organisation
 - Research the organisation – what are the goals and mission?
- Don't talk about just what you will gain – what will you offer
- Network

Development

6 Development Tips

Learn (and re-learn)
the basics

Collaborate
(internal and external)

Get out and about

Get inspired

Grow your role
and team

Do what you love

I DON'T THINK YOU'RE GONNA BE

HAPPY

GETTING

GOOD

AT SOMETHING YOU DON'T

LOVE
